

Green Elementary School Site Council Agenda Item Request

The School Site Council (SSC) is a decision-making body made up of parents, school staff, and students (secondary). The responsibilities of the SSC include the development and oversight of the Single Plan for Student Achievement (SPSA) and the categorical budgets associated with that plan. The SSC meets once each school month. If you would like to have an item placed on the agenda, please complete this form and someone will be contacting you within five (5) working days.
